

# Knitters needed

**This year at National Trust  
Property Clumber Park we are  
celebrating apples with a  
Wassailing Festival in the garden.  
As part of the festivities we are  
'Yarn Bombing' some of our  
apple trees!**

Closing date for knits is 25th February.

Any completed panels can be handed in on site at the Discovery Centre or posted to us. If you can help with the installation, we're holding bombing afternoons on Sunday 16th & Tuesday 18th February.

Then come and enjoy the festivities & see if you can spot your creations at the Wassailing Festival

Sunday 2nd March–12 till 3 in the Walled Kitchen Garden

The event is free however normal entry charges to the garden apply.

If you enjoy knitting, you can join in! All you need to do is simply knit rectangles either 20cm x 30cm or 40cm x 50cm in size.

They can be any colour, making use of any odds and ends of wool.
